Georgetown has been notified by Eastern College, of Manassas, Va, that the Virginians will have no football aleven this season and that, accordingly, the game scheduled for the Hilltop a week from Saturday, cannot be played.

Whether or not the Blue and Gray will make any endeavor to book a substitute game depends whelly upon Trainer John D. O'Reilly. The Hill toppers have passed through two severe centests, those with Springfield Y. M. C. A. Training School and Lehigh. Cody, the gritty little fullback, has a broken nose, received in back, has a broken nose, received in the Lehigh game last Saturday. Practically every other member of the elevan in business in business and the control of the elevan in business and the control of the control of

the eleven is bruised and sore. A rest may do them all good.
"The boys are pretty well 'shot np' right now," says Trainer O'Reilly. "After the Lehigh game we were unable to take the train for Washington. I figured that the boys needed a good sest and so we remained at Allentown, Pa., until Sunday morning before starting home.

"T'm not sure but that a rest might go everybody a lot of good, especially when it is recalled that Fordham is to be played on Tuesday, November 6, and Navy the following Saturday."

The Camp Meade officers want to meet the Hilltoppers, but the game will not be scheduled until O'Reilly gives his word as to the condition of his players. O'Reilly is king of condition at Georgetown, and what he says goes to the limit. Uhless the players recover rapidly from their injuries, a week from Saturday may see the Hilltoppers enjoying a holiday.

Georgetown is Betriag.

"With the passing of Bob Fitz simmons, pugilism has lost not only one of its greatest exponents, but a man who was in every way a credit to the game. Although I lost the world's heavyweight championship to this great warrior, I have never said or thought that he did not beat me fairly and squarely. He was one of the marvels of pugilism, and I am sure that I am volcing the sentiment of all American sport lovers in expression of the deepest and most heartfelt sorrow over his passing away. We who knew him in the heyday of his power know that he fought gamely to the end as was befitting the lion-hearted war rior whose marvefous ring exploits are now a matter of history and will live as long as the game lasts."
